FAQs

Q: I have not been accepted to a nursing program, but can take prerequisites, does this grant cover these classes?

A: Yes - all prerequisite classes are covered

Q: Do I need to be a CNA

A: No - Cassia will pay for you to get your CNA certification.

Q: Do I have to choose one of the 6 colleges listed on the front?

A: Yes, currently the program is only set up to work with the colleges listed.

Q: What can the Dual Pipeline Grant pay for?

A: Tuition, books, fees, required supplies, and mileage.

Q: What is the amount the grant + scholarship will cover?

A: Up to $11,250 is available per year - up to a maximum of $24,000 lifetime
**(IRS guidelines say anything over $5,250 / year is taxable income).
Up to $500.00 per semester for transportation.

Q: What if I receive other Grant money?

A: The Dual Pipeline Grant pays for your education first; any money not used from FAFSA is yours to use however you deem necessary.
