

I Am Cassia

You Are Cassia

We Are Cassia

WELCOME To Cassia's 2019 Donor Listings!

Our mission—to foster fullness of life for older adults in the spirit of Christ's love—is brought to life through the generosity of people like you. Thank you for helping meet the needs of older adults and others in need socially, emotionally, spiritually and in countless other ways.

As Augustana Care and Elim Care continue the affiliation process, we are posting separate lists of donors for each legacy organization. In fact, donors will not be listed under the Cassia umbrella until after 2020, when the financial integration is finalized. Meanwhile, we are pleased and excited to share the names of all our generous donors, whose support enhances the quality of life for those we serve. Cassia is extremely grateful to **you** for your kindness and generosity.

Please also note that while every effort was made to ensure accuracy, mistakes do happen. If you see an error, please let us know as soon as possible so we can correct it.

If you have questions
or want to request financial
information from fiscal year
2019 (available in April),
please contact us at

Augustana Care Donors and Grantors

The generosity of donors listed here cannot be overstated. Your donations support housing, health care and community services throughout our communities, while enabling us to enhance the quality of life for the people we serve. Donors on this list gave generously to Augustana Care and any of our campuses or services for fiscal year 2019 including donations made between October 1, 2018 and December 31, 2019. Though we are deeply grateful to donors who made payments on pledges from previous years, those donations were recognized at the time of the pledge. Therefore, they are not included in lists of contributions made during this past year.

The Elim Care Oasis Society

The Elim Oasis Society honors donors who are committed to supporting our mission to serve older adults in the spirit of Christ's love. Oasis Society members may give in one of three ways: by making a planned gift and providing support for the future; nominating employees or volunteers to be recognized and donating up to \$2,000 in their honor; and being a donor who gives \$10,000 or more to one of our endowment funds. Those with a † next to their names are deceased.
